attendees said about mpe

“Great place for building knowledge about new solutions, great place for networking.”

H&M

“A huge dose of positive vibe and an energy boost for my work. The place, the people, the event, the density of panels and meeting. It was amazing!”

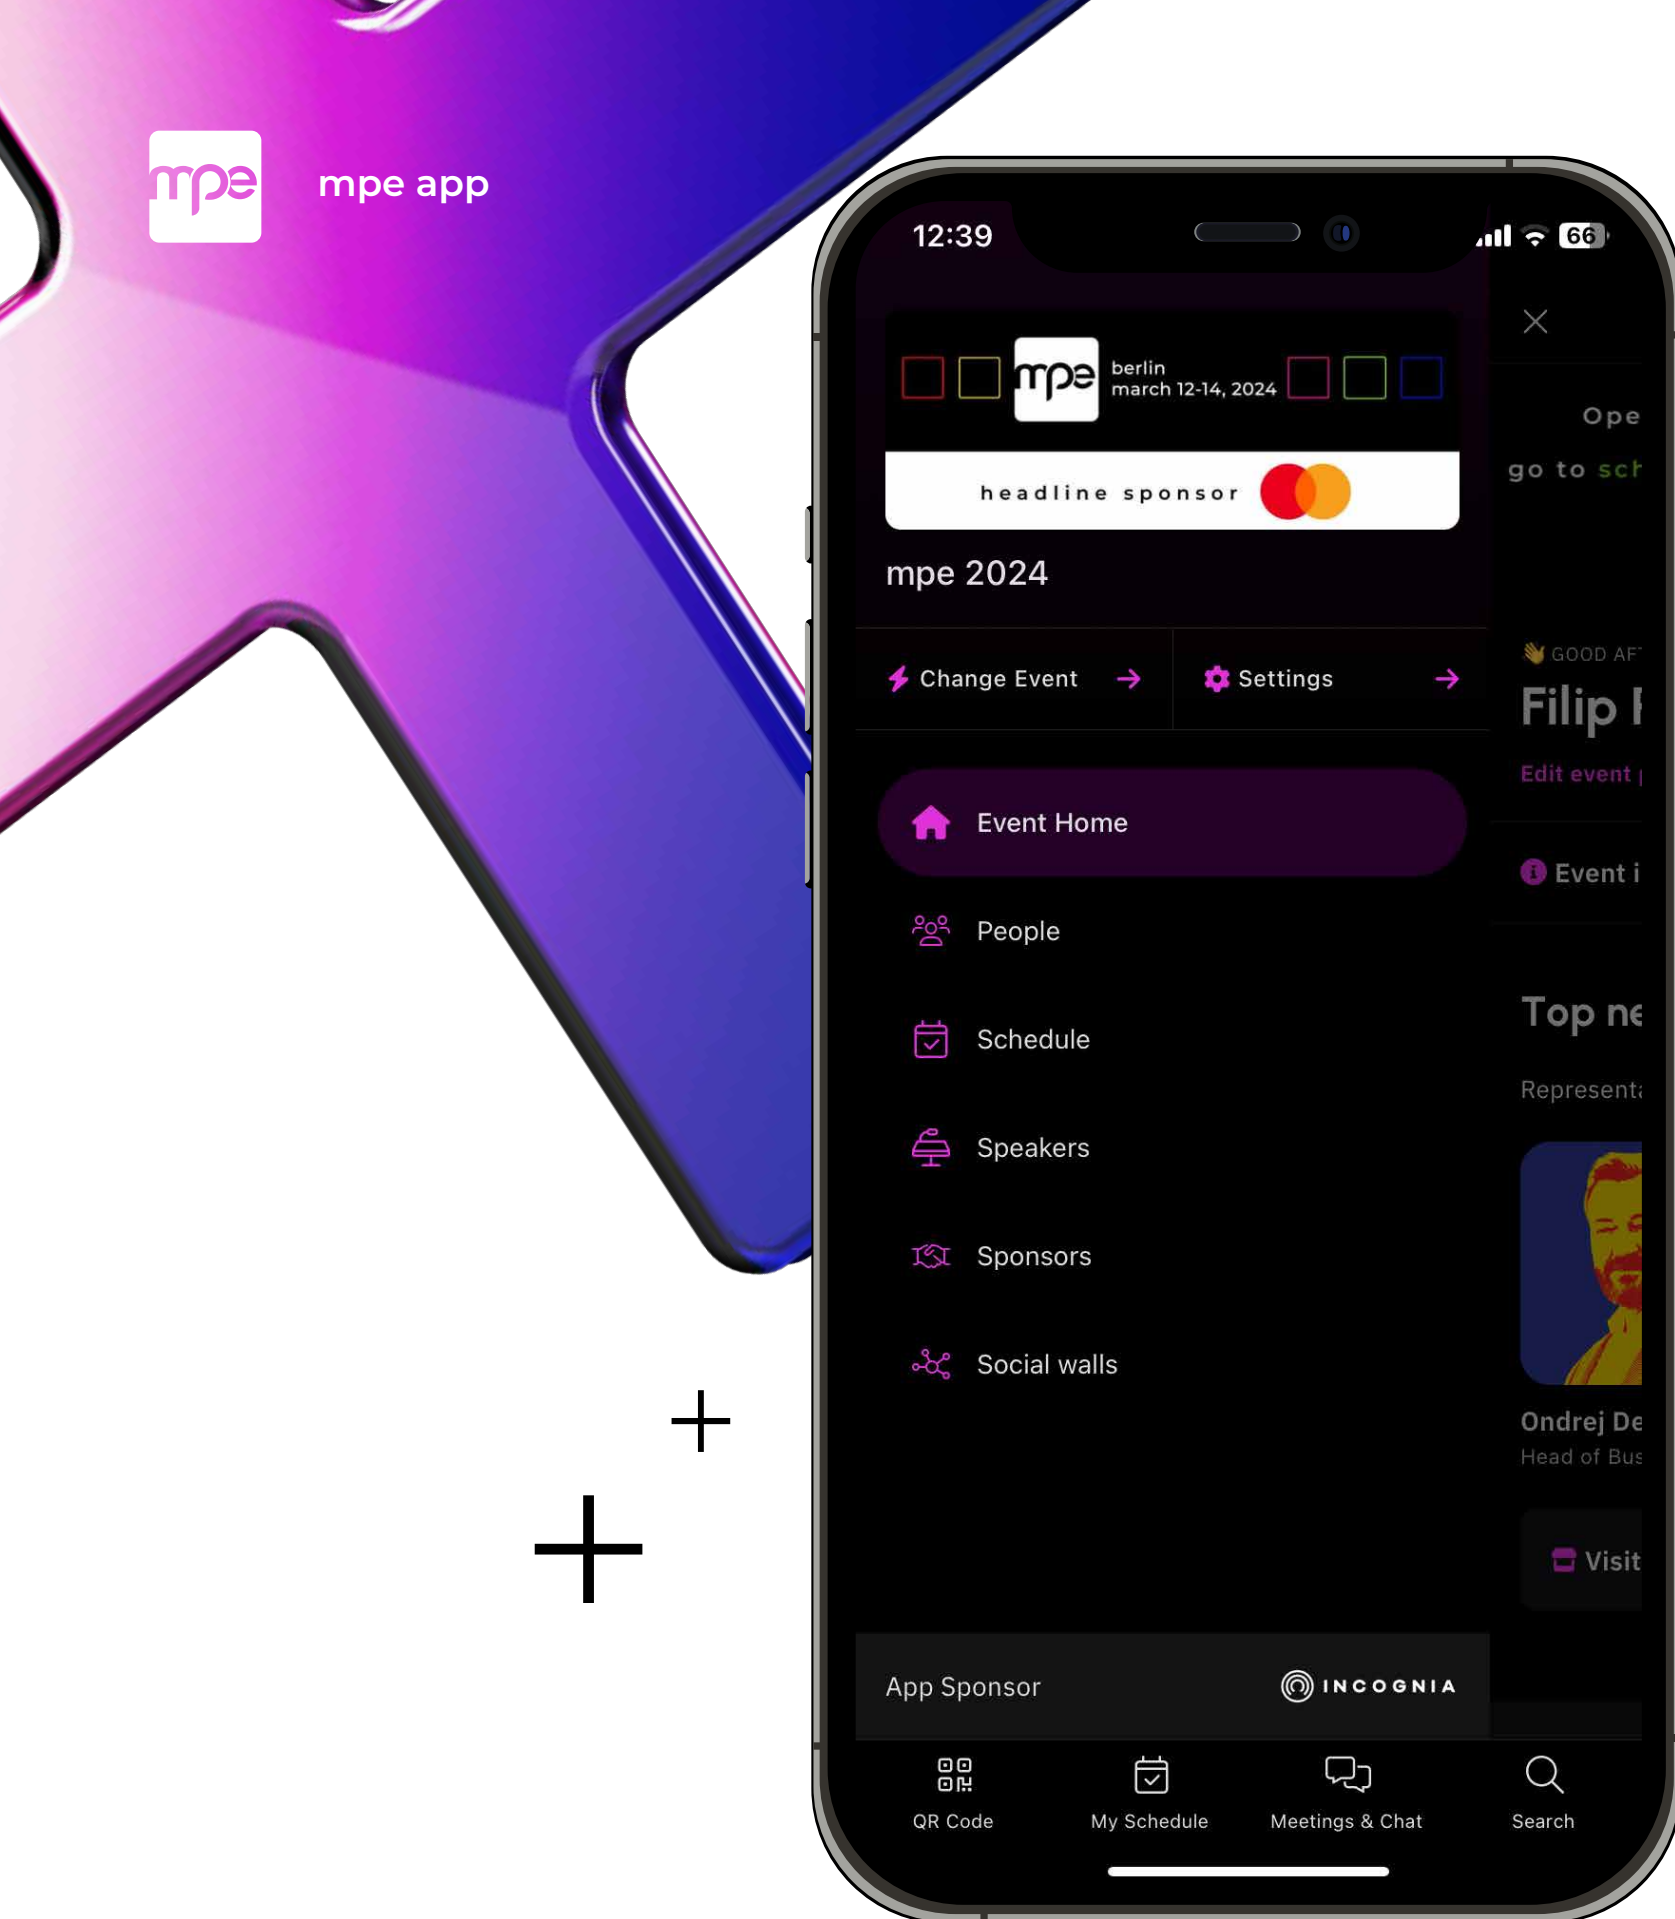

TeddyGraphics

“Each year I attend MPE, I come away with new learnings and connections to the payments and fraud community.”

Sift

“Thanks MPE for such a great event again!”

Dear

I would like to attend merchant payments ecosystem on March 18-20, 2025 in Berlin, Germany, to help support me and (organization name)

mpe conference is Europe's #1 merchant payments conference connecting 1500+ senior-level merchants & payments professionals. Attending mpe allows me to access the largest audience of Senior level Merchants & Payment Professionals in one place. Here's a list of attendees from mpe 2024.

Why is the mpe 2025 "a cannot miss" event for me and (organization name)?

- mpe is the only European event focused on merchant payments, connecting me/us with 500+ Merchants, 1000+ Acquirers & PSPs, and POS SW & HW vendors & start-ups from 40+ countries
- In just three days, the event offers me/us world-class content delivered by 160+ TOP industry leaders & influencers and 90+ solution providers showcasing cutting-edge payments & POS solutions
- All attendees represent relevant sectors: 43% PSPs, 26% merchants, 17% bank acquirers, and the rest are card schemes, regulators, start-ups, and other industry experts, mainly from Europe
- In addition to the education that will be immediately relevant, actionable, and future-focused, I regain face-to-face access to current industry peers while being given the ability to expand my network and, accordingly, our horizons. New personal connections and professional learnings provide long-term mutual benefits for [organization name] and me.

If I register before November 15th for 2450 EUR, we'll save 1050 EUR off the final price – and we'll save even more if we book as a team of 5 and more! Plus, they offer exclusive room rates onsite at The InterContinental Berlin, the event venue, ensuring I maximize every moment.

The cost to attend is far less than the value incurred. Based on standard professional education costs, I will gain the equivalent education valued in the tens of thousands. And the connections made will provide immeasurable value for [organization name].

Thank you for considering my request. I look forward to your reply.

Best regards,

+
